Media & World Affairs Beyond Western Frames

We Want Your Voice

Presser Review is accepting submissions.

We are a new, open-access journal based in Pakistan. Our mission is simple: to publish critical, accessible analysis on media and world affairs that centers knowledge **beyond dominant Western paradigms**.

We believe rigorous scholarship and public accessibility are not opposites. We invite scholars, students, practitioners, and community voices from the Global South and worldwide to share their work.

What We Publish

We accept submissions across three tracks:

Track	Focus	Word Count
Flagship Articles	Original research, theoretical interventions, systematic reviews	3,500–7,000
Critical Reflections	Timely analysis, policy commentary, emerging debates	1,500–2,500
Voices from the Margins	Student work, community knowledge, translations, letters	800–1,500

Topics of Interest:

- Media Ethics & Global South Journalism
- Security Studies & Conflict Analysis
- Climate Change & Environmental Justice
- Decolonial Theory & International Relations
- Culture, Language, & Knowledge Production
